

# Lunesia

**Stories that spark dreams,  
choices... and growth.**

## The **Positive** Impact of Lunesia

Children today are **surrounded by screens...** but not always by meaning.

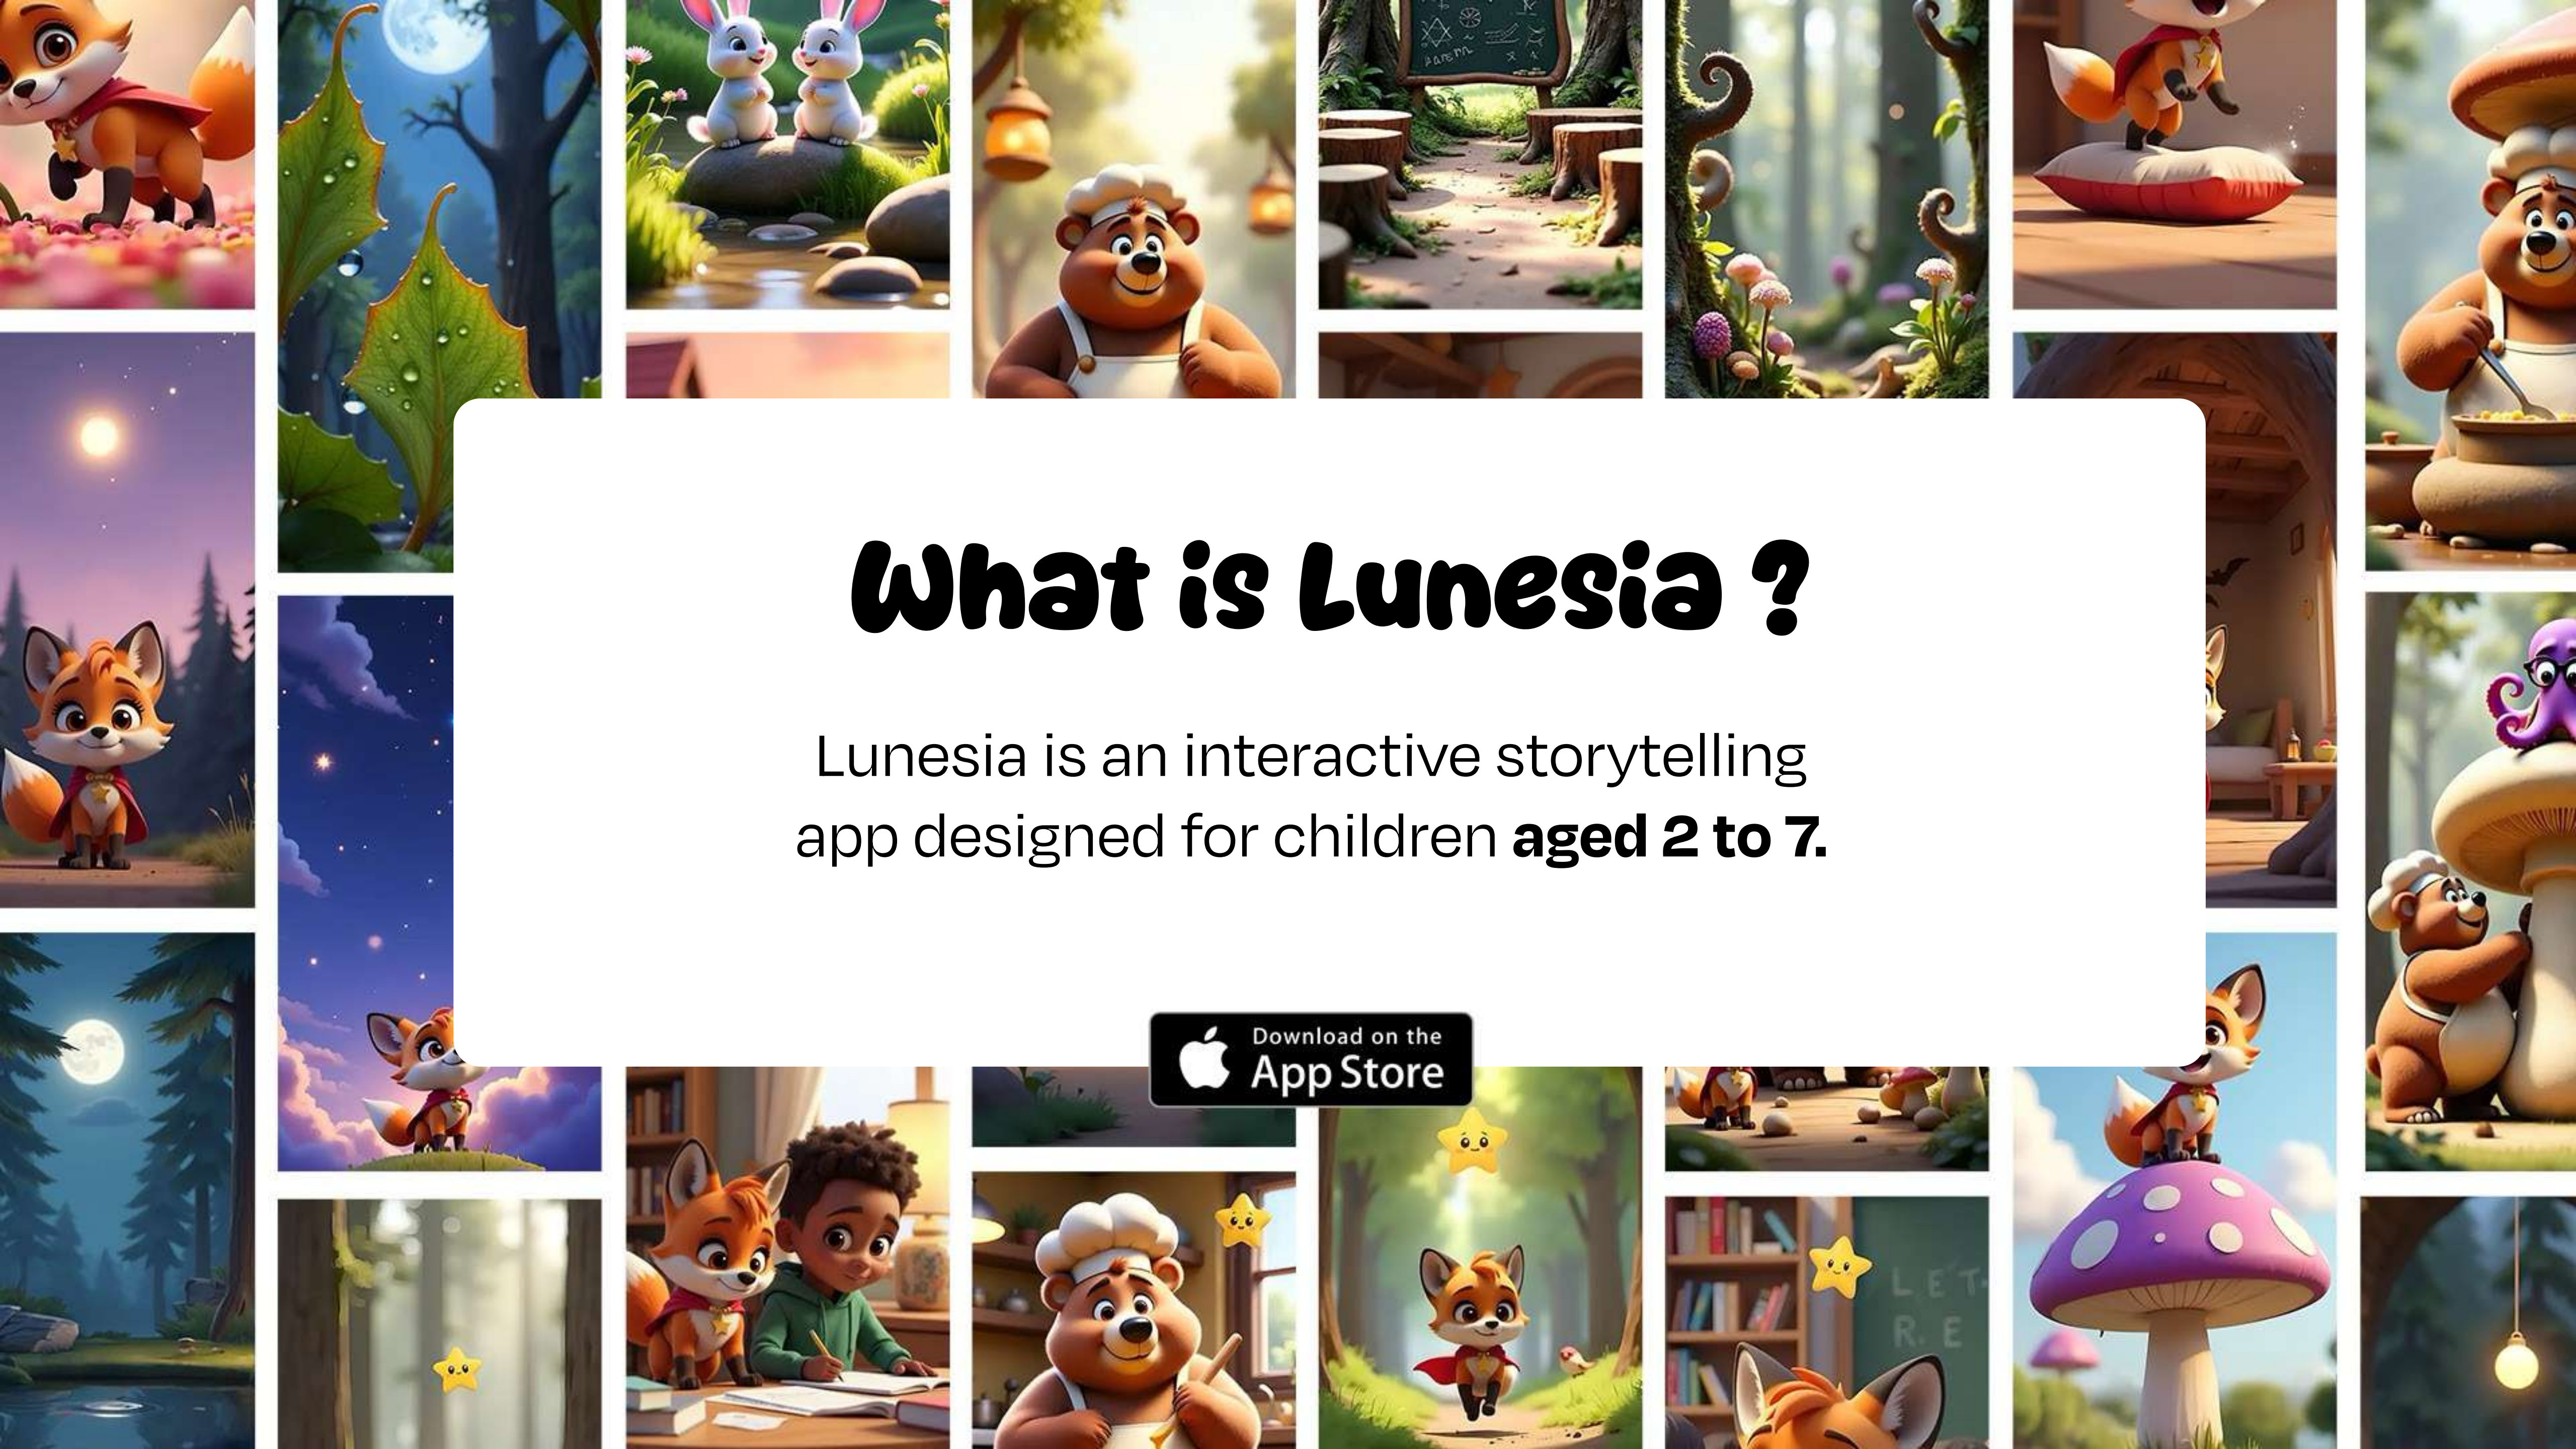

Lunesia offers a magical alternative: stories where every choice teaches.

Our app **empowers kids to think, decide, and grow** — not just consume.

Every moment spent on Lunesia helps build confidence, empathy, and creativity.

# What is Lunesia ?

Lunesia is an interactive storytelling app designed for children **aged 2 to 7**.

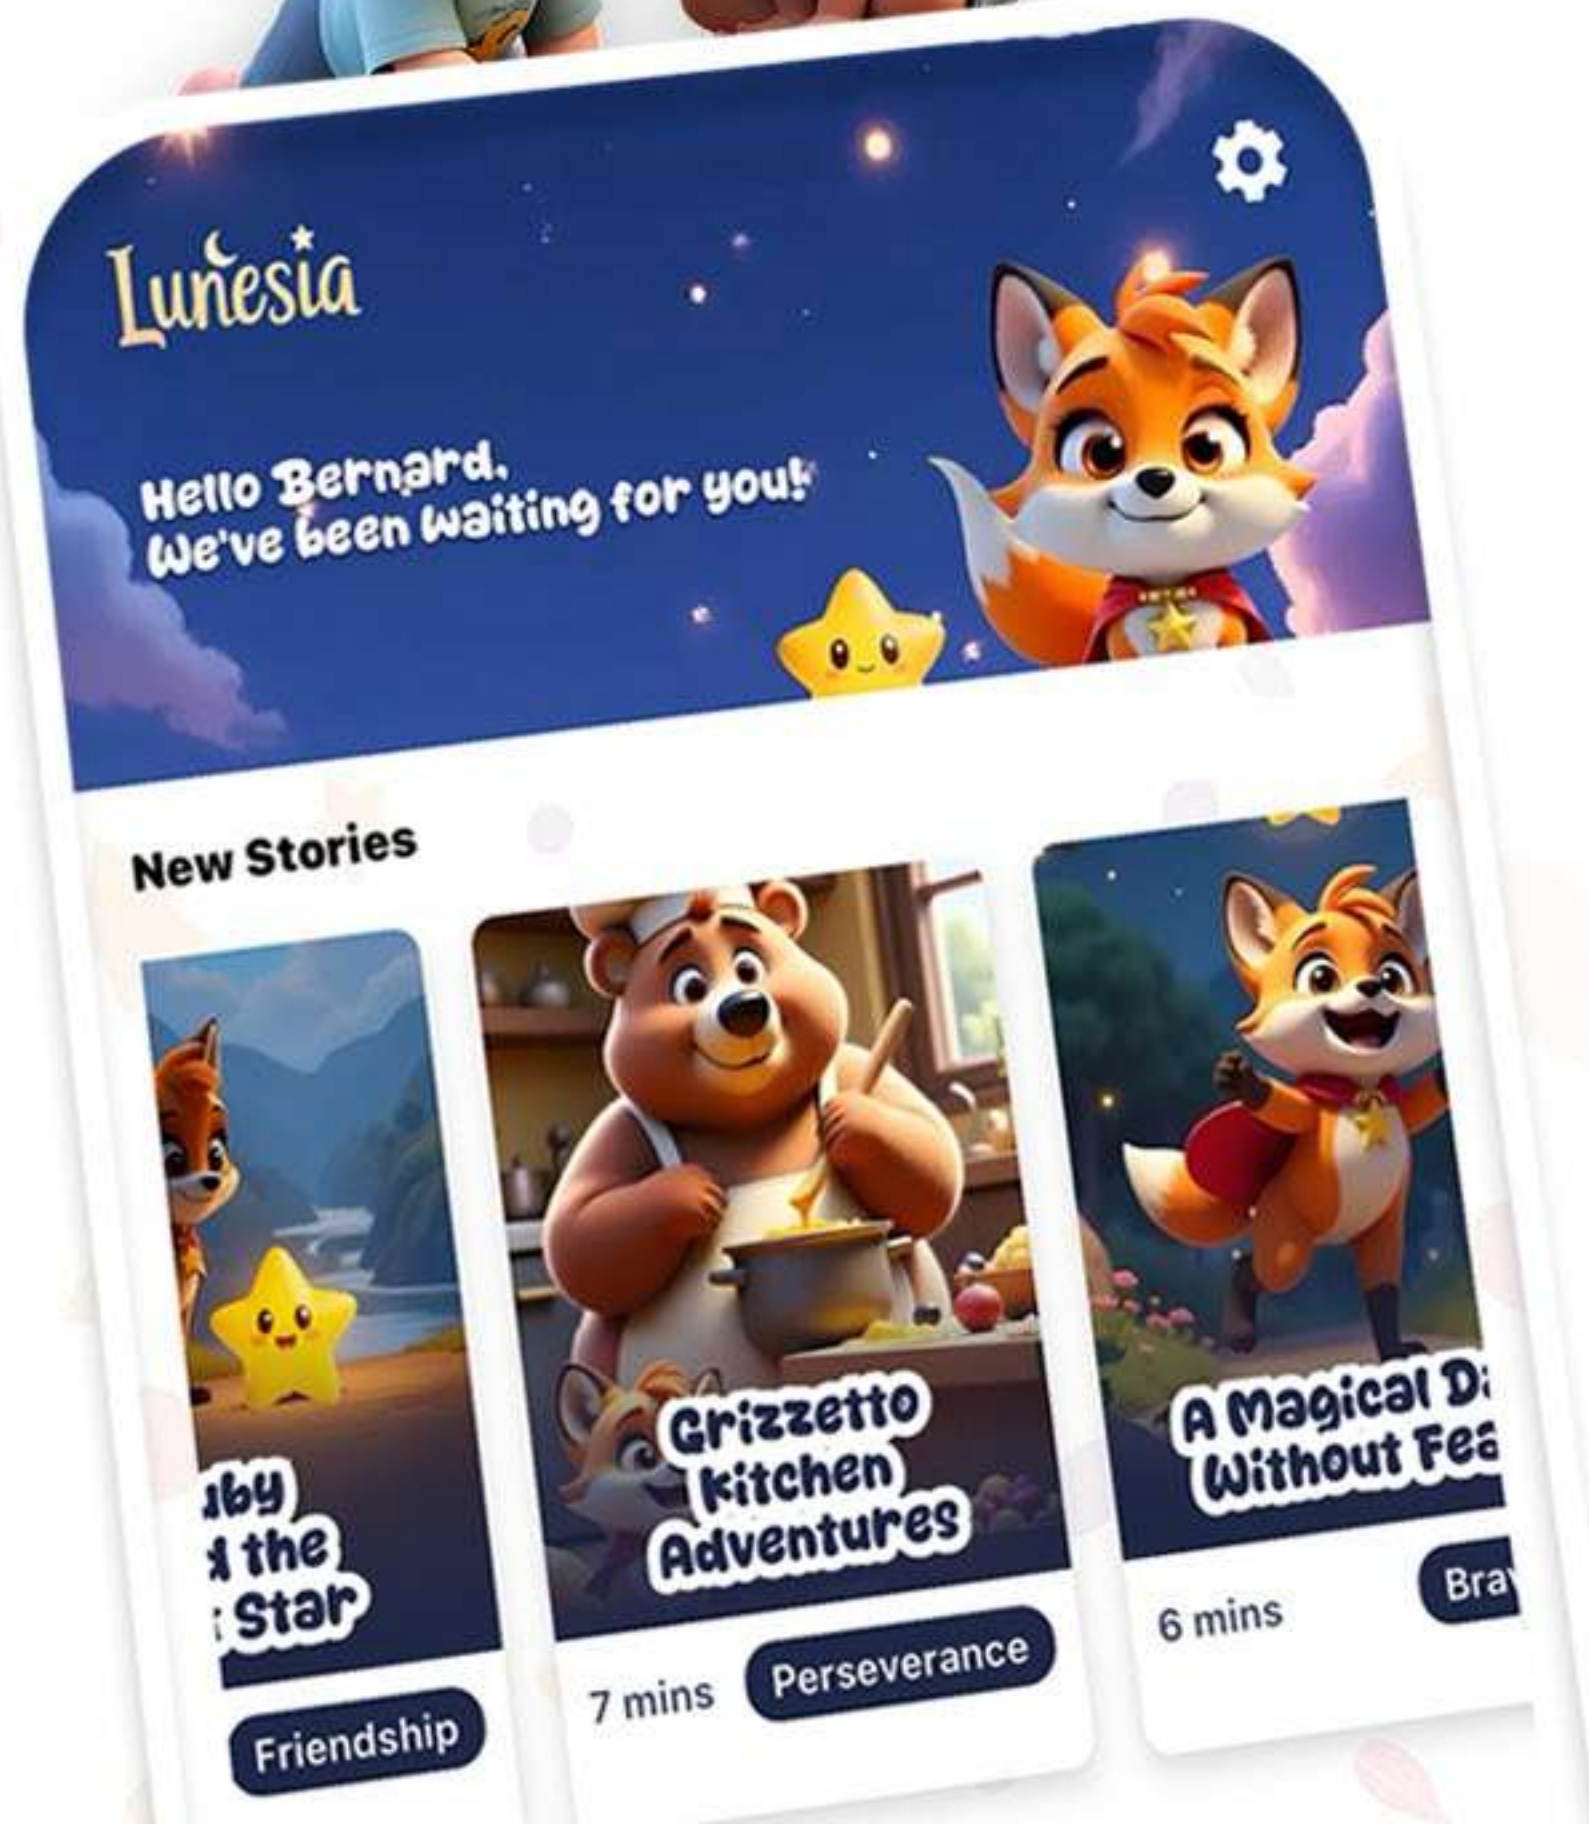

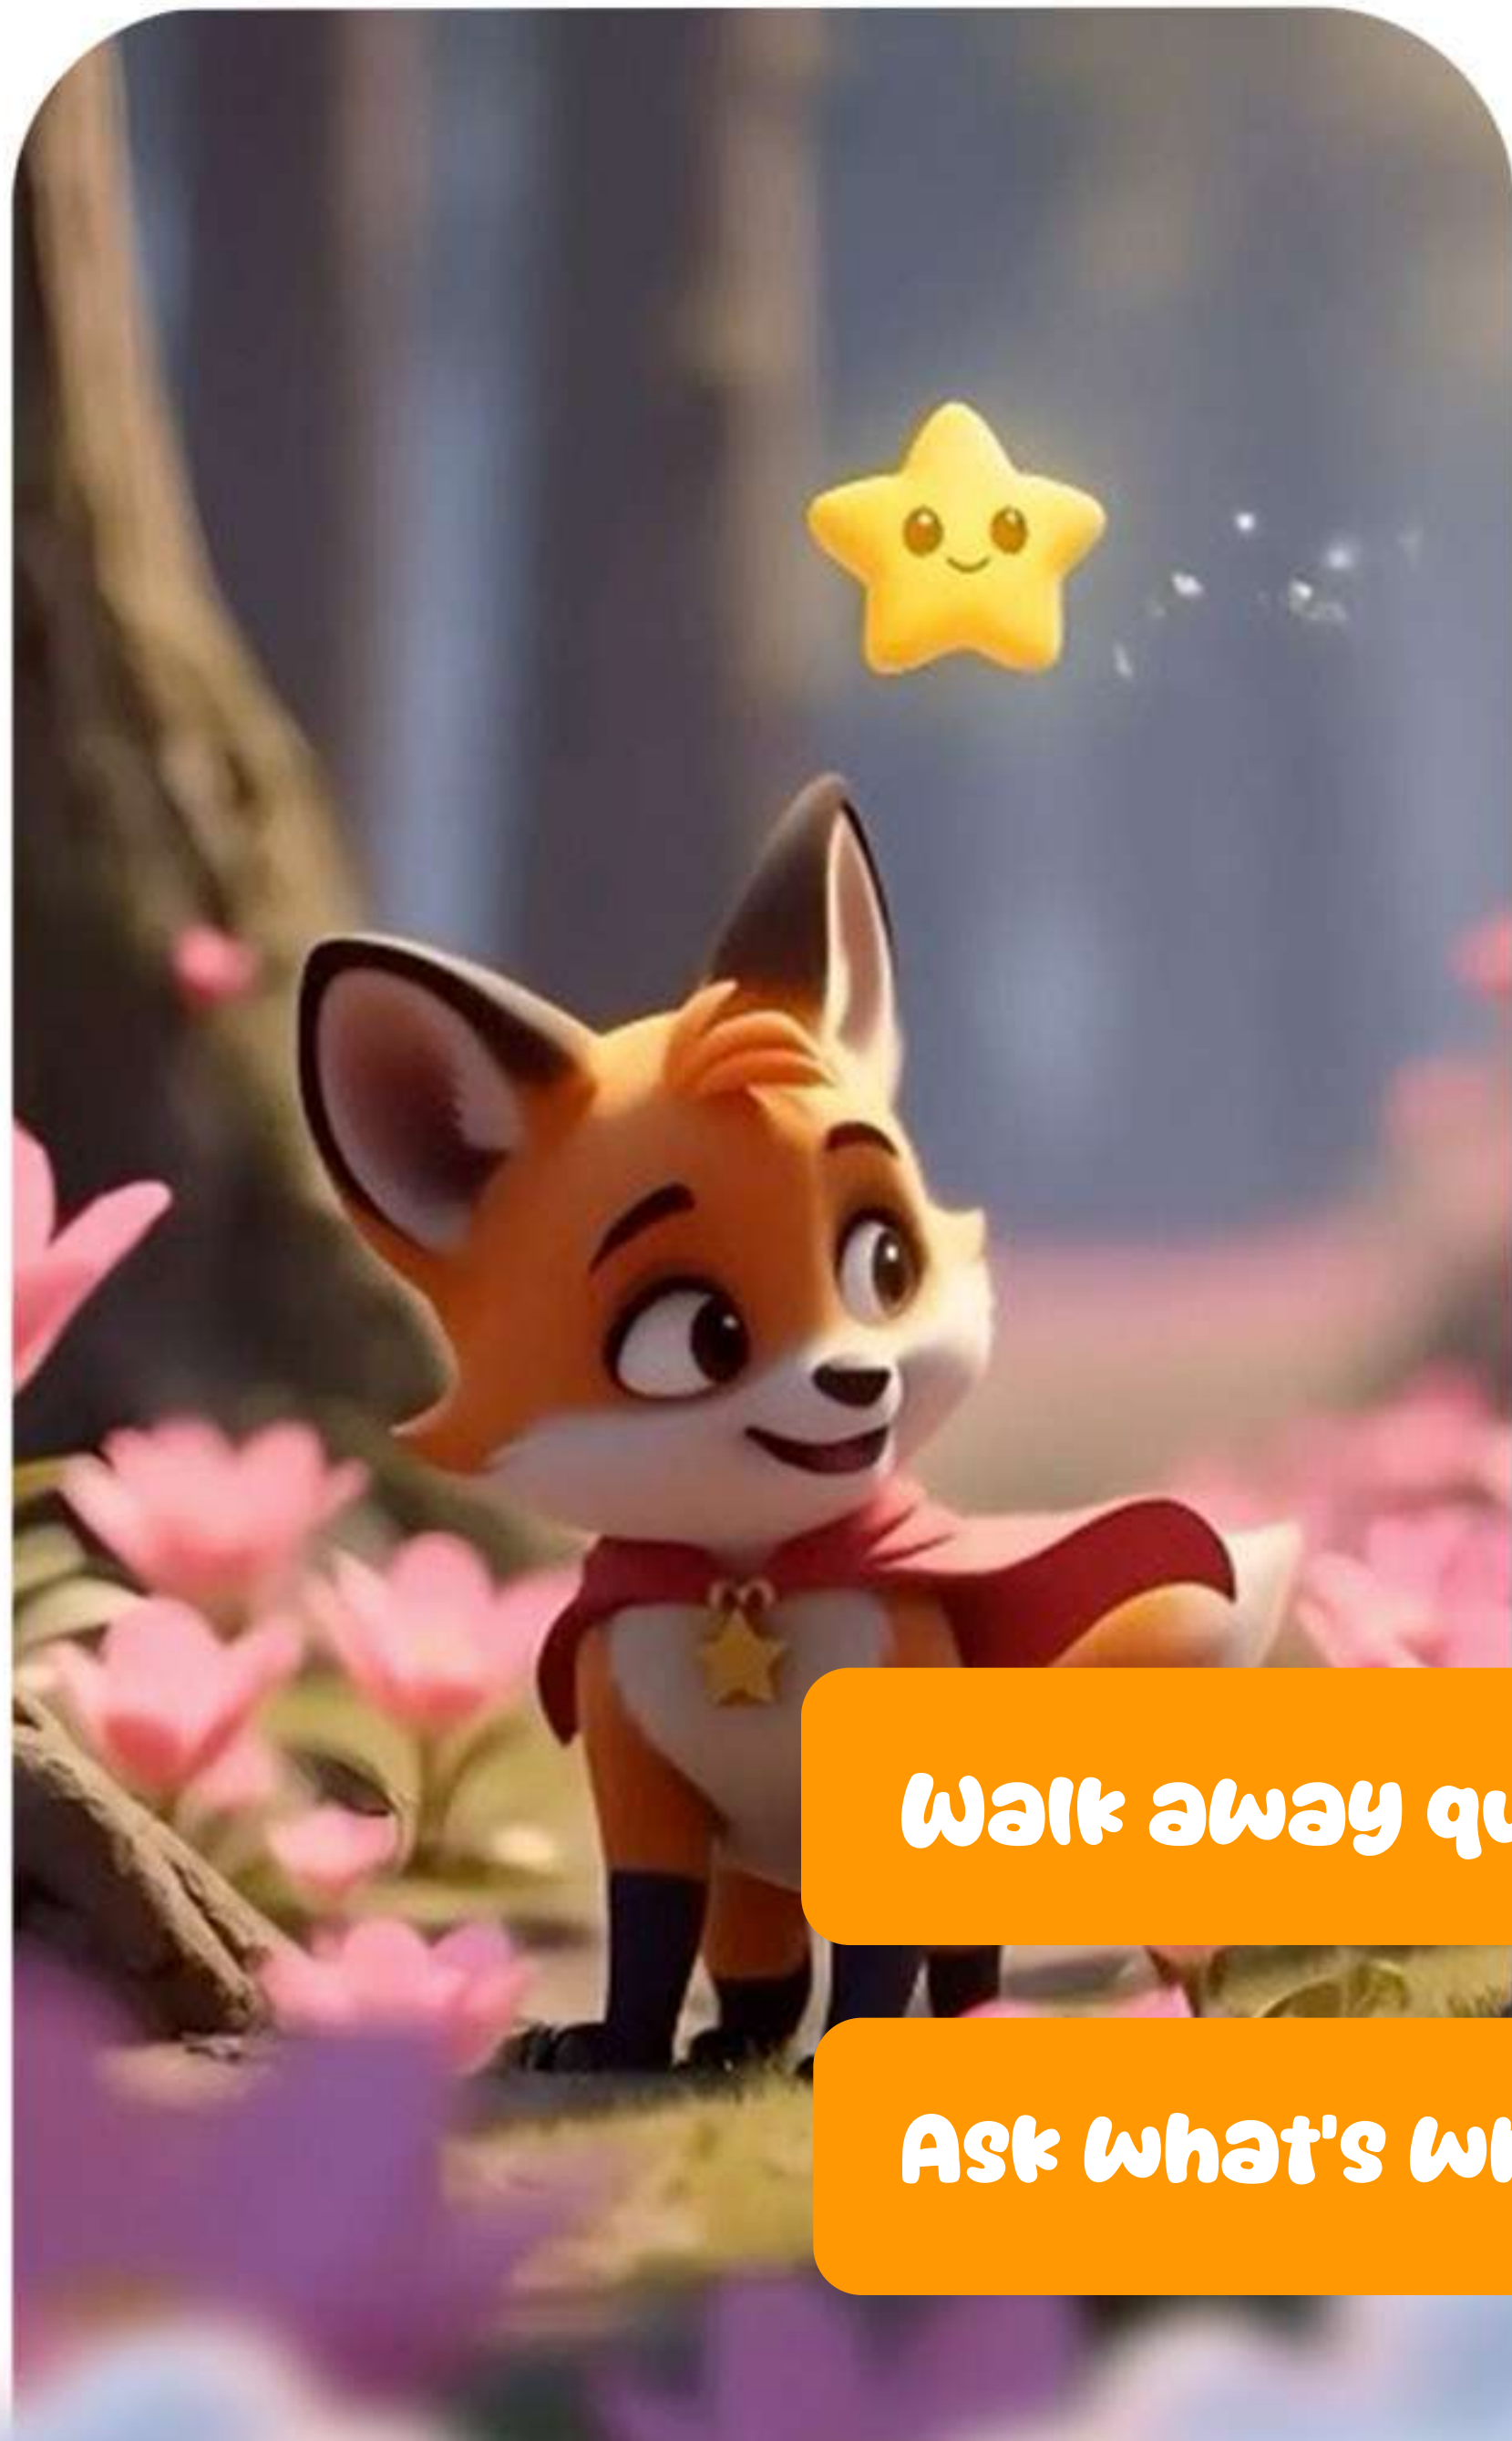

# Hundreds of **magical** stories

Two new tales every week!

The voice-over even **knows the child's name**, making each story even more special.

# The child becomes the **hero** of the story

The child clicks on buttons to choose what the character does next.

Each decision shapes the story — helping them  
**learn to think, decide, and grow.**

**Walk away quietly**

**Ask what's wrong**

*#Courage #Kindness #Patience #Gratitude  
#Empathy #SelfConfidence #Honesty  
#Respect*

# An ad-free, **safe space** Where kids can explore on their own

Full autonomy, total peace of mind.  
So parents **can take a break**, relax,  
or get things done — worry-free.

# Who is Lunesia For ?

Lunesia is for busy parents who **want more than just passive screen time.**

Perfect for parents of young children who want **safe, enriching digital experiences** — without endless scrolling.
